

# CELEBRATE BIKE TO WORK DAY

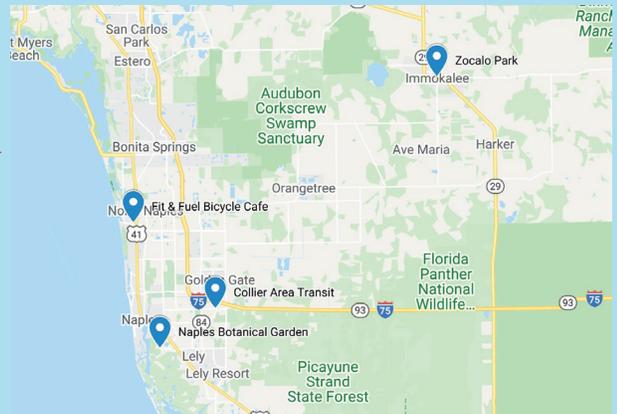

Tuesday, September 22<sup>nd</sup>, 7:00-9:00 a.m.

We invite you to join us on **BIKE TO WORK DAY** to celebrate the benefits of bicycling by encouraging community members to leave their cars at home and hop on a bicycle to get to work or somewhere intentional to accomplish a task, like going to the grocery store or running errands.

Come by with your bicycle at the following Bike to Work Day stops and celebrate with free coffee and a light breakfast snack. Helmets, bike lights, safety information and maps will also be provided. For those unable to make it to the designated stop locations, Naples Pathways Coalition and Bikes for Tykes will also be setting up tents east of the Gordon River Bridge to provide helmets and lights.
