6. Agency Updates

A. FDOT

Ms. Peters: October 18-22 Florida Department of Transportation (FDOT) holding public hearing online for new Draft Tentative Work Program FDOT Fiscal Years 23-27. Will be an online and in-person. Throughout week can email comments to Victoria or Wayne Gaither. Opportunity to see Citizens Report (paper version of Work Program). In-person option will be held at the Southwest Area Office (SWAO). Victoria and Wayne will be present, have a video and take comments. Don’t have specific day identified yet. October 29 - Nov. 5 FDOT is hosting Mobility Week. Different events will take place for safety and mobility. More details to follow.

B. MPO Executive Director

Ms. McLaughlin: Personnel updates: Danielle ‘Dani’ Bates is new Administrative Assistant, produces eNewsletter and manages website. New Principal Planner, Scott Philips, will come in later. Worked at FDOT Central Office, well-versed in programming and rules for MPOs.

7. Committee Action

A. Endorse Roll Forward Amendment and Authorizing Resolution, FY 2022-2026 Transportation Improvement Program

Ms. McLaughlin: Happens every year, usually in September, FDOT submits Roll Forward report as amendment to new TIP [adopted in June]. Includes projects in previous state fiscal year that were not authorized before the June 30th fiscal year end and now must be incorporated into the new MPO TIPs in the new current state fiscal year. Attachment has signature page, following Public Participation Plan, haven’t received any comments, public comment period began Aug. 20, ends on Sept 10 at MPO Board Meeting. Requesting committee review and endorsement of Roll Forward Amendment.

A discussion ensued regarding amount of money FDOT programmed to install new technology to prevent wrong-way driving on interstate and access ramps. Discussion occurred at the Community Traffic Safety Team related to this item. The technology is necessary for prevent crashes. Funding amount is statewide, not specific to County.

Mr. Brock: Is this a cleanup of last year’s money not spent? [Yes] Does anyone go back and ask authorities why they didn’t spend it? Ms. McLaughlin: I hope by bringing this to the TAC each local
entity will check projects and if there’s an anomaly, they’ll let MPO and FDOT know. Each project has a
story about why there’s money left on the table. Part of the review is if you see an anomaly to bring it up.
Committee members continued discussion regarding the roll forward report and possible uses.

Mr. Smith moved to endorse the endorse Roll Forward Amendment and Authorizing Resolution, FY
2022-2026 Transportation Improvement Program. Mr. De Leon seconded. Passed unanimously.

B. Endorse Amendment 3 to FY 20/21-21/22 Unified Planning Work Program (UPWP)

Ms. Otero: Presented Executive Summary. Purpose of this amendment is to recognize funding left
from closeout of previous UPWP. $80,988 remaining from previous grant, including $56,373 PL and
$24,615 SU funding. Table shows where additional funding has been allocated; also includes other minor
updates to the UPWP.

Ms. Lantz: Removing the Transportation System Performance Report (TSPR) but updating the
Congestion Management Process (CMP), correct? Ms. Otero: Correct, we are updating the CMP to be
consistent with last TSPR, scope will come through after next Congestion Management Committee
meeting.

Mr. Smith moved to endorse Amendment 3 to FY 20/21-21/22 Unified Planning Work Program (UPWP).
Mr. Brock seconded. Passed unanimously.

C. Endorse Draft 2022 Calendar

Ms. McLaughlin: Presented Executive Summary. Seeking endorsement of 2022 calendar.
Primary change for TAC is to move meeting from the last Monday to the fourth Monday of the month.
Proposed to allow additional time for staff to prepare for Board meetings. Difficult when committee
meetings occur on a 5th Monday. Also note November Board meeting falls on holiday so staff will be
looking for alternative dates. Committee review includes looking for errors staff may have overlooked.
Discussion ensued related to typos, including moving joint meetings in October to early November, and
removing the meeting after Thanksgiving. Staff will review.

Mr. Brock moved to endorse moving to fourth Monday from last Monday, and leaving joint dates for the
future, Mr. Smith seconded. Passed unanimously.

D. Endorse Joint Lee/Collier MPO Meeting Agenda

Ms. McLaughlin: Presented Executive Summary. TAC and CAC are scheduled to meet jointly on
Oct. 7. Primary items included on agenda are: endorsement of updated Lee-Collier Interlocal Agreement,
tried to do that in 2016 and 2017, but due to lack of quorums at joint meetings, could not vote; then tried to
bring forward separately, but that didn’t work either. Commissioner McDaniel expressed interest in
resuming joint meetings and seeing how high growth areas affected [travel] modeling of joint regional
connections for 2045 LRTP and regional roadway projects, including I-75 managed lane study, Old US 41,
Mr. Scott: Put something together on the US Census, may not know specifics, but they’re changing how they determine urbanized areas, the schedule should be out by time Boards meet. For regional roadway, include SR 82 status in Collier County; in Lee County, complete for most sections widening.

All: Discussion to add Veterans Memorial and Bonita Beach and US 41 project updates and talking to FDOT project managers.

Mr. Scott: High growth looking at it from areas two sides, FDOT email re- can update your 2045 LRTP based on changes to land use projects. There’s new data, area here with 5000 more homes by 2045, opposite commercial areas that will have more employees.

Ms. Lantz: Talk about a joint origin-destination study, is that going somewhere?

Mr. Scott: We’re doing scope - went through TAC and CAC, to look at updating trip information in long range plan and other regional analysis; based on database/program from a consultant, we will see how it works and see if you want it too.

Mr. Scott: Census report to include analysis - if more than 50% [of workforce] is communing from one urban area to another area it may become part of that area. Too soon to say.

Ms. Lantz moved to endorse preliminary approach to agenda items and recognize more could come up as we get closer, Mr. De Leon seconded. Carried unanimously.

8. Reports and Presentation (May require Committee Action)

A. 2045 Long Range Transportation Plan (LRTP) Scrivener’s Errors.

Ms. McLaughlin: Presented Executive Summary. Gave overview of Scriveners errors in 2045 LRTP that staff corrected, current version of plan is on website. Corrections are related to inclusion of current TIP in the LRTP – a new focus FHWA has introduced. (formerly in an appendix).

Mr. Scott: Came out at Lee MPO’s certification review that it can’t be in an appendix. Lee still has to add bike/ped projects. Compare first and second 5-year period in Cost Feasible Plan, points out MPO’s don’t receive all revenues FDOT projected for LRTPs. Will have this conversation at MPOAC. MPO’s don’t have say in FDOT’s revenue projections.

B. 2050 LRTP Base Year Data Requirements

Ms. McLaughlin: Presented Executive Summary. Bringing this for committee’s awareness. 2045 LRTP adopted Dec 2020, now providing data for 2050 long range plan. FDOT will validate base year [travel] model to 2020 Census for population, number of dwelling units and people per household: due to effects on travel from pandemics validating base year to 2019 for other characteristics - roadway networks, traffic counts, employment, transit ridership. FDOT wants MPO submittals by June 2022. Data request is attached. Hoping to use County Interactive Growth Model (CIGM) again. County is
planning on validating CIGM to 2020 census in upcoming year. Hope it comes together quickly, it’s a very helpful tool.

Mr. Scott: County is going to do 2020 land use, and use 2019?

Ms. McLaughlin: FDOT is using 2020 Census population, and the CIGM would allocate that to TAZs, based on [programmed] assumptions about housing density. Will have matters of debate in picking a different year for employment. CIGM offers better assumptions about future development in particular - factors in County’s land use policy, approved developments and master plans. Did check on Census population release; 2020 came put closer to BEBR (Bureau of Economic and Business Research) medium [projection for 2020] rather than the CIGM, which was higher, so BEBR medium hit it closer for 2020.

Mr. Scott: BEBR medium was too low for Lee County. The 2020 Census is 30,00 higher.

9. Member Comments

Mr. De Leon: Recently able to participate in Marco Island workshop for [transit] related to employment. Collaboration between County, FDOT’s Commute Connector, Blue Zones and private companies - hotels and restaurant – to identify needs. Good outcome. For Mobility Week, transit is planning to participate. Experiencing driver shortage - having a toll on operations; need to find ways to bring in more operators for fixed route and paratransit.

Mr. Brock: Oct 22-23 is the fishing tournament to support the Everglades City school, 22nd is the Captains meeting and dinner, and 23rd is fishing

Ms. Lantz: Any discussion on going back to hybrid?

All: Discussion on hybrid meetings. In June, Board of County Commissioners voted to extend the hybrid option for public to participate. Governor said there’s no longer a State of Emergency. Need to comply with Sunshine Law. Won’t pursue changing bylaws allowing smaller quorums yet.

Ms. McLaughlin: Asked Scott Philips to say more about his background.

Mr. Philips: Glad to be part of team, worked at MPOs in California, Colorado, Virginia; come from FDOT Tallahassee Central Office, was MPO Liaison Coordinator and Analyst.

Endorse Amendment #2 to the FY 2022-2026 Transportation Improvement Program (TIP) and Authorizing Resolution

OBJECTIVE: Committee endorsement of Amendment #2 to the FY 2022-2026 Collier MPO Transportation Improvement Program (TIP), and authorizing resolution.

CONSIDERATIONS: The Florida Department of Transportation (FDOT) has requested the following amendments to the FY 2022-2026 Collier MPO TIP to utilize American Rescue Plan Act of 2021 (ARPA) Federal Stimulus funds on two projects:

- **FPN 449140-1** Project Description: SR 84 (Davis Blvd) @ Rich King Memorial Greenway Trail Crossing. This is a new safety project to install Pedestrian Hybrid Beacons.

- **FPN 417540-6** Project Description: SR 29 from N of New Market to SR 82 (Widen from 2 to 4 lanes). This is an existing project. The amendment advances two phases from outer years of the TIP into FY 22.

The two requests have been combined into a single amendment. The TIP amendment signature form and project sheet showing revisions to the project’s funding structure and schedule are shown in Attachment 1. A draft of the associated MPO Board resolution authorizing this amendment is shown in Attachment 2. The letter from FDOT requesting the amendment is shown in Attachment 3.

The MPO is following the TIP amendment public involvement process outlined in the MPO’s Public Participation Plan in that this amendment has been:

- Posted for review by the TAC and CAC;
- Public comment period announced on the MPO website; and
- Distributed via e-mail to applicable list-serve(s).

The comment period began on October 15, 2021 and ends with the MPO Board meeting on November 12, 2021.

STAFF RECOMMENDATION: That the Committee endorse the amendment and authorizing resolution.

WHEREAS, State and federal statutes, rules and regulations require that each designated Metropolitan Planning Organization develop and adopt a Transportation Improvement Program (“TIP”) and set forth the procedures for doing so; and

WHEREAS, the Collier Metropolitan Planning Organization’s (the “MPO”) TIP may require amending as authorized and required by 23 C.F.R. Part 450 Sections 326, 328, 330, 332 and 334, and by F.S. § 339.175(6), (8) and (13); and

WHEREAS, the FDOT has requested the Collier MPO to amend the FY 2021/22-2025/26 TIP to add Federal Project Number (FPN) 449140-1 safety improvements at SR 84 (Davis Blvd) @ Rich King Memorial Greenway Trail in FY 2022, and revise FPN 417540-6 SR 29 from N of New Market to SR 82 as shown in Attachment 1; and

WHEREAS, FDOT has submitted two letters to the MPO stating that the amendments are necessary to include in the MPO’s TIP to ensure consistency with FDOT’s Work Program, as shown in Attachment 2; and

WHEREAS, the MPO announced the TIP Amendment on its website, distributed it via e-mail to various list-serves, and followed all of the steps of its Public Participation Plan through the expiration of the public comment period, which terminated with the MPO’s meeting on November 12, 2021; and

WHEREAS, the MPO has reviewed the proposed TIP Amendment for those projects and determined that it is consistent with the MPO’s adopted plans and policies; and

WHEREAS, in accordance with all required State and federal procedures, rules and regulations, including but not limited to the FDOT’s MPO Administrative Manual, the TIP Amendment must be accompanied by an endorsement indicating official MPO approval.

THEREFORE, BE IT RESOLVED by the Collier Metropolitan Planning Organization that:

1. The FY 2021/22 - 2025/26 Transportation Improvement Program Amendment set forth in Attachments 1 and 2 is hereby adopted.

2. The Collier Metropolitan Planning Organization's Chairman is hereby authorized to execute this Resolution certifying the MPO Board's approval of the Amendment to the FY 2021/22-2025/26 Transportation Improvement Program for transmittal to FDOT and the Federal Highway Administration.

This Resolution PASSED and duly adopted by the Collier Metropolitan Planning Organization Board after majority vote on this 12th day of November, 2021.

Item 10A

Administrative Modification #1 to the Collier MPO FY 2022-26 Transportation Improvement Program (TIP)

OBJECTIVE: To notify the Committee that the following revisions have been made via administrative modification to the FY 2022-26 Collier MPO TIP.

CONSIDERATIONS: The Collier MPO has administratively modified its FY 2022-26 TIP to reflect the following revisions:

Increase FY 22 federal transportation planning funds in the Collier MPO’s UPWP:

   a. FPN 410113-1: FTA Section 5305 Metropolitan Planning – add $45,705
   b. FPN 439314-3: FHWA PL Transportation Planning – add $56,373
   c. FPN 439314-3: FHWA SU Transportation Planning – add $24,615

The increased funding for FPN 410113-1 is to recognize the final allocation from FTA 5305 (d) funding. The increased funding for FPN 439314-3 is from unexpended federal transportation planning fund balances from previous UPWP FYs. The MPO Board received a copy of the administrative modification at their October 8, 2021 meeting. The administrative modification is shown in Attachment 1.

STAFF RECOMMENDATION: That the Committee receive a copy of the administrative modification to the FY 2022-26 TIP. No Committee action is required.

Others in attendance included Anne McLaughlin, Brandy Otero, Scott Philips, and Danielle Bates with the Collier MPO; Don Scott, Ron Gogoi, and Calandra Barraco with the Lee County MPO; Tamara Pigott with the Lee County Visitor and Convention Bureau; Steve Ludwinski with the Corradino Group; Andy Getch and Dennis Wilson with McCormick Taylor; members of the public John Majka, Deborah Sebastian, and Robert Wilgosz; Ned Baier with Volkert; Carmen Monroy with Stantec; Trinity Scott with Collier County; Michelle Avola-Brown with Naples Pathway Coalition; and Victoria Peters and Tanya Merkle with FDOT.

**Agenda Item #2 - Pledge of Allegiance**
The Pledge of Allegiance was recited.

**Agenda Item #3 - Election of a Chairperson**

Ms. Lorraine Lantz was elected by consensus to Chair the meeting.

**Agenda Item #4 - Public Comments on Items on the Agenda**

There were no public comments on items on the agenda. However, there were three public comments from members of the public on items not on the agenda. Mr. John Majka, a member of the public, gave a public comment with a presentation on projects on SR 80. Mr. Majka’s presentation can be viewed here: [John Majka Public Comment Presentation]. Ms. Deborah Sebastian, a member of the public, gave a public comment on projects on SR 80. Mr. Robert Wilgosz, a member of the public, gave a public comment on projects on SR 80.

**Agenda Item #5 - Approval of Agenda**

Mr. Carl Karakos made the motion to approve the agenda. Ms. Dawn Huff seconded the motion. There were no objections, and the motion passed unanimously.

**Agenda Item #6 – Action/Discussion Items**

A. Review and Comment on Updated Lee-Collier Interlocal Agreement 2021

Mr. Don Scott presented this agenda item on the Updated Lee-Collier Interlocal Agreement 2021. He stated the item was not an action item, but only for review and discussion, and it would be voted on at the individual MPO’s separate meetings. He then introduced Ms. Anne McLaughlin to provide an overview of the updates to the document that was last updated in 2009. Ms. McLaughlin referred to the three versions of the agreement, the current version, version with changes shown, and clean versions, that were included in the agenda packet and posted to both MPO’s websites prior to the meeting. Ms. McLaughlin mentioned a Collier MPO Board member request for more regional meetings and reviewed the changes that were made adding the goal is to have an updated agreement. Mr. Scott mentioned a suggestion to remove dates from the agreement and provided a brief history of past joint MPO Board meetings. Ms. McLaughlin mentioned the number of members on the Lee MPO’s Executive Committee, the number of members on the Collier MPO Board, and providing a forum for discussion among the members. Mr. Scott reiterated voting would be done at individual meetings and the joint meetings would only be for discussion. A brief discussion followed on what was being asked of the TAC for this item, who defines the meetings as needed, LRTP planning, staff coordination among MPOs, concern that MPO Boards aren’t meeting, Federal Certification review with regard to regional coordination and interlocal agreement updates, requirement to review interlocal agreement every five years, automatic renewal of interlocal agreement every five years, possible new interlocal with new parameters, history of interlocal agreements from census and possibility of combining MPOs, TRIP funding and regional roadways, regional roadway project examples, coordination concerns in past Federal Certifications, upcoming release of latest census results, suggestion for internal committees to update agreement a few pages at a time, providing a summary of how often joint meetings take place and who will attend, possibility of inviting entire Collier MPO Board to Lee MPO Executive Committee meeting, goal to refresh the interlocal agreement this year, bringing item back to individual committee meetings, creating a flexible and adaptable document, quorum, example of other
area interlocal agreements, COVID issues, bylaw review by legal staff, no requirements for joint TAC/CAC, requirements to coordinate at staff level, LCB quorum in room requirements, using technology to adapt, differing legal opinions on hybrid meetings, revisiting agreement when census data is released, research into MPO Alliance structure, difficulty with logistics with large groups, and possibility of lowering quorum. Mr. Scott said he would be in contact with Ms. McLaughlin regarding a possible meeting of Collier MPO Board with the Lee MPO Executive Committee.
