2022 Project Priorities Approved

The MPO Board unanimously approved the 2022 Highways & Freight, Planning, Transit, and Transportation Regional Incentive Program (TRIP) Project Priorities at their June 10th meeting. After much discussion of public comments for and against sidewalks in Naples Park, the Board voted 6/3 to approve the 2022 Bicycle and Pedestrian Project Priorities with one exception - the Trail Crossing on Golden Gate Pkwy at Freedom Park and the Gordon River Greenway was deleted. The Naples Park sidewalks remained on the list.

We're seeking volunteers to serve on the MPO's Citizens Advisory Committee. Representatives are needed for one At-Large seat; BCC Districts I & 5; the City of Marco Island; and the City of Naples. Joining an advisory committee provides opportunities to be directly involved in the transportation planning process. Please contact the Ms. Brandy Otero at (239) 252-5859 or Brandy.Otero@colliercountyfl.gov, with any questions or for more information.
