### **Executive Summary**

Approve an Amendment to the Collier MPO 2045 Long Range Transportation Plan (add Moving Florida Forward Funding for I-75/Immokalee Interchange Improvements)

---

**OBJECTIVE:** For the MPO Board to approve an amendment to the 2045 Long Range Transportation Plan (LRTP) and the authorizing resolution to add the Immokalee Interchange Improvement project, funded by the Moving Florida Forward Infrastructure Initiative, to the LRTP Cost Feasible Plan (CFP) to maintain planning consistency with FDOT's FY 2026-2030 Work Program.

**CONSIDERATIONS:** MPO staff has prepared an amendment to the 2045 LRTP to add the Immokalee Interchange Improvement project identified in FDOT's FY 2026-2030 Work Program with funding from the Moving Florida Forward Infrastructure Initiative and recent Federal and State appropriations and project phases added or changed. The proposed addition is listed below and shown in red font on the attached CFP – Strategic Intermodal System (SIS) Table 6-2, page 6-4 of the 2045 LRTP (**Attachment 1**). Fiscal constraint is maintained by the addition of Moving Florida Forward funds and other State revenues for the SIS CFP.

The LRTP Amendment adds the following project:

- FPID No. 452544-4: Immokalee Interchange. Major Interchange Improvements. Managed by FDOT. PE, ROW, RRU, Design Build FY26-28. \$71.5 million

The MPO is following the LRTP amendment public involvement process outlined in the MPO's Public Participation Plan notice requirements in that this Amendment has been:

- Posted for review by the TAC and CAC;
- Public comment period announced on the MPO website; and
- Distributed via e-mail to applicable list-serve(s).

The comment period began on April 21, 2025, and ends with the MPO Board meeting on May 9, 2025.

Authorizing Resolution 2025-05, including Exhibits 1 and 2, is shown in **Attachment 2**.

**COMMITTEE RECOMMENDATIONS:** The Technical and Citizens Advisory Committees voted to endorse the Amendment at their meetings on April 28, 2025.

**STAFF RECOMMENDATION:** That the Board approve the 2045 LRTP Amendment and Authorizing Resolution 2025-05.
