EXECUTIVE SUMMARY

Approve an Amendment to the Collier MPO 2045 Long Range Transportation Plan

OBJECTIVE: Board approval of an amendment to the 2045 Long Range Transportation Plan (LRTP) and authorizing Resolution to address the addition of Moving Florida Forward projects and funding to the Cost Feasible Plan (CFP) and maintain planning consistency with FDOT's Work Program.

CONSIDERATIONS: MPO staff has prepared an amendment to the 2045 LRTP to address changes to projects based on additional funding from the Moving Florida Forward Infrastructure Initiative and recent Federal and State appropriations and project phases added or changed in the FDOT Draft Tentative Work Program FY 25-29. The proposed additions are listed below and are shown in underline and strike through format on the attached CFP - Strategic Intermodal System (SIS) Table 6-2, page 6-4 of the 2045 LRTP. Fiscal constraint is maintained by the addition of Moving Florida Forward funds and other State revenues for the SIS CFP.

The following additions are included in the Amendment:

- FPID No. 452544-1: Widen I-75 from six to eight lanes from Golden Gate to Corkscrew. This is a District-wide project involving Collier and Lee Counties. Construction in 2027. \$578 million.
- FPID No. 445296-1: I-75 and Pine Ridge Rd Interchange Improvement. Reconstruct interchange to a diverging diamond and widen Pine Ridge Road at that location. Construction in 2025. \$23 million.
- FPID No. 417540-6: Widen S.R. 29 from two to four lanes from New Market Road to S.R. 82. Construction in 2027. \$44 million.
- FPID No. 417540-5: Construct a new four-lane road as an extension of S.R. 29 for a loop around downtown Immokalee from C.R. 846 to New Market Road. Construction in 2027. \$85 million.

The MPO is following the LRTP amendment public involvement process outlined in the MPO's Public Participation Plan notice requirements in that this Amendment has been:

- Posted for review by the TAC and CAC;
- Public comment period announced on the MPO website; and
- Distributed via e-mail to applicable list-serve(s).

The comment period began on November 17, 2023, and ends with the MPO Board meeting on December 8, 2023. As of the time of publication of this agenda packet, no public comments have been received.

The authorizing Resolution, including Exhibit 1-LRTP Amendment and Exhibit 2-FDOT communications, is shown in **Attachment 2**.

COMMITTEE RECOMMENDATIONS: The Technical and Citizens Advisory Committees voted to endorse the amendment at their meetings held on November 27, 2023, with the addition of anticipated construction funding amounts for two of the projects.

STAFF RECOMMENDATION: That the Board approve the 2045 LRTP Amendment and Authorizing Resolution.
