

GORDON RIVER GREENWAY TRAFFIC COUNTER

A Continuous Bicycle and Pedestrian Traffic Counter has been installed and certified at the Gordon River Greenway. It will be counting non-motorized traffic at this location. The collected data helps FDOT TDA toward their goal of creating an Average Annual Daily Traffic (AADT) for non-motorized facilities.

The Florida Department of Transportation (FDOT) Transportation Data and Analytics (TDA) Office's statewide Non-Motorized Traffic Monitoring Program (NMTMP) will provide non-motorized volume counts to for safety studies, planning and programming of FDOT facilities, road and trail maintenance and enhancements, etc. Read more on the FDOT website [NMTMP page](#).

FDOT DISTRICT ONE SAFETY PAGE IS LIVE

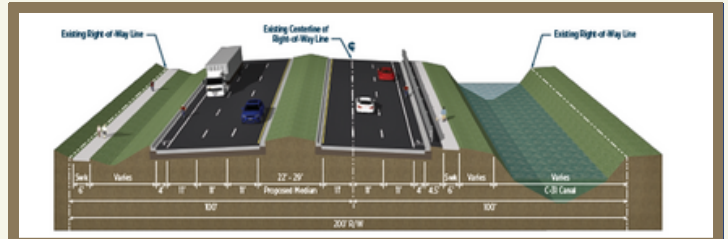

FDOT announced the full launch of the FDOT District One Safety page. The resource is now available to the public and stakeholders, providing a reliable source of information on all things safety related. Discover the various safety initiatives in progress within District One, put your safety skills to the test, and learn more about FDOT's Safe System Approach strategies by visiting FDOT District One Safety at swflroads.com

FLORIDA STRATEGIC HIGHWAY SAFETY PLAN

WITH FLYING COLORS

The Florida Department of Transportation's Office of Inspector General conducted an audit of Collier MPO's accounting and financial management policies, procedures, and processes and determined Collier MPO's current written accounting policies and procedures are in compliance with federal regulations, state statutes, and Department policies and procedures. Read the full [Audit Report](#).

AIRPORT ROAD WIDENING PROJECT

This project will widen the Airport Road corridor into a six-lane divided urban arterial roadway by adding an additional 11-foot travel lane in each direction and on-street bicycle facilities. Plans call for a 22-foot raised median, curb, and gutter, reconstruction of sidewalks along both sides of the roadway, a closed drainage system, street lighting, and minor traffic signal improvements. Read more about the project in the [My Collier Newsletter](#).

THE FGT HAS A NEW LOOK!

Trust for Public Land and Florida Department of Environmental Protection announced the Florida Gulf Coast Trail Logo Contest winner, the great blue heron design, submitted by Kelly Kure from Sarasota. The design reflects the natural beauty of Florida and will be featured across all 336 miles of this epic trail. Learn more at the [Trust for Public Land website](#).

MPO UPCOMING MEETINGS

Winter 2024 Schedule

- January 16 | BPAC
