

COLLIER MPO PLANS ARE IN MOTION

The Collier MPO is advancing 4 major transportation planning efforts that will shape the region's mobility, safety, and infrastructure for years to come. Together, they feed into the broader framework of the Long Range Transportation Plan (LRTP), ensuring that Collier County's future transportation system is safe, efficient, and responsive to community needs.

- ⚙️ **Long Range Transportation Plan (LRTP):** The cornerstone plan guiding transportation priorities through 2050.
- ⚙️ **Bicycle & Pedestrian Master Plan (BPMP):** Enhances bike/ped infrastructure and connectivity.
- ⚙️ **Comprehensive Safety Action Plan (CSAP):** Focuses on reducing traffic fatalities and serious injuries.
- ⚙️ **Transit Development Plan (TDP):** Outlines guidance for public transportation over the next 10 years

TRANSPORTATION TRIVIA

The first bus was introduced in Paris, France in 1662 by Blaise Pascal. It was a system of horse-drawn carriages that ran across Paris streets on a schedule.

CAT FARE STUDY SURVEY

Your feedback is essential!

Collier Area Transit (CAT) is conducting a fare study to evaluate the current fare system and explore alternatives to better meet the needs of riders and the community.

This is a comprehensive effort to review current fare structures, compare fares with other local agencies, and assess equity and accessibility across the system.

CAT Fare Study Goals:

- ✦ Ensure fares are fair, simple, and sustainable
- ✦ Support equity and accessibility for all riders
- ✦ Align with regional best practices and future technology (mobile ticketing, smart passes, etc.)
- ✦ 2015 Transit Development Plan established evaluating fares every 5 years.

By combining data analysis with community input, the study seeks to balance rider affordability with the long-term sustainability of the transit system.

💬 Your voice matters. Public feedback is a vital part of this process and will help shape the future of transit in Collier County!

September 21-27

Child Passenger Safety Week

National Highway Traffic Safety Administration (NHTSA)

Child Passenger Safety Week is recognized each year in September and brings heightened awareness to how parents and caregivers can keep children safe in vehicles. Child Passenger Safety Week 2025 will be held from September 21-27. Use NHTSA's Car Seat Finder to make sure your child is in The Right Seat.

As part of Child Passenger Safety week, National Seat Check Saturday, on September 27, is a day for you to receive free instruction on how to correctly install and use the right car seats for your children. Use NHTSA's Car Seat Inspection locator to find a location near you.
